

CORPORATE TRUST

Corporate trust law is a highly complex area that can spark the need to address related legal issues. Our skilled and highly knowledgeable corporate trust attorneys have assisted clients with:

- complex corporate finance matters
- structured transactions
- mergers and acquisitions
- bankruptcies involving indenture trustees
- addressing ongoing issues after closing
- corporate trust workouts and litigation
- strategic advice and counsel regarding business mergers
- the assumption of corporate trust, custody and escrow obligations

Attorneys in our Corporate Trust Practice have significant experience as advisors and managers representing indenture trustees and corporate trusts across multiple jurisdictions.
