Experience

A team of Hodgson Russ attorneys represented an international hotel operator in the closing of a highly complex financing package involving \$226.6 million in new CMBS mortgage and mezzanine debt. The transaction involved 17 hotels in 11 states and included the defeasance of \$100 million of existing CMBS indebtedness, a major restructuring of the existing hotel owner and management companies, the formation of 20 new entities, the movement of 11 hotel franchises and 7 management agreements, and the buyout of a strategic partner.

The Hodgson Russ team of Daniel Spitzer, Alicia Legland, Meredith Morgan, and David Stark acted as counsel on regulatory and zoning matters for a joint venture between two of the nation's leading energy solutions companies. The two businesses, a Mid-Atlantic owner-operator of commercial renewable energy projects and a renewable and a natural gas company in the Southwest, entered into a financing arrangement with a commercial bank supporting four energy storage projects in the City of New York. Energy storage is an essential element in the State's aggressive plan for reducing reliance on fossil fuel facilities.
