October 21, 2016
10:00 - 11:30 a.m.

October 21, 2016
New York Law School, 185 West Broadway, New York, NY

The discussion examined the problem of trademark infringement and counterfeiting in the fashion industry. Legal experts introduced the tools used to protect fashion brands from both online and offline infringing activities.

The panel discussion was prominently featured in an article in *Women's Wear Daily*, where Neil received mention.
