Kicking off the event with a Welcome Reception on Wednesday evening, and the conference taking place on Thursday, it will still bring together experts from both the private and public sectors to interact and share the latest information relevant to environmental issues in New York State.

In addition to first rate speakers and program, there is a wide array of opportunities to increase your corporate presence through sponsorships.

PE Credits

The Business Council is approved as a sponsor of continuing education for Professional Engineers in New York State. 1 credit will be awarded for each 60 minute session completed on Wednesday, November 15 and Thursday, November 16. A certificate will be sent at the completion of the conference.
