

CYBERSECURITY PANEL

Seminar

Templeton Landing, Buffalo, New York
March 15, 2018
5:30 p.m. to 8:30 p.m.

March 15, 2018
Templeton Landing, Buffalo, New York

Today's cyber-attacks are common. They are increasing in size and sophistication, affecting all sizes and types of businesses. The potential impact on organizations is substantial. Join us, the RMA, and our panel of experts for an informative discussion.

Panelists

- Carmine Cicalese, President and Founder, CYBER CIC, LLC
- William Prohn, CISSP, CISA, CGEIT, CRISC, Managing Director, Dopkins Systems Consultants
- Gary Schober, New York City Office Managing Partner, Hodgson Russ
