May 28-29, 2018
Metro Toronto Convention Centre

The STEP Canada national program committee is pleased to release the final program for this highly anticipated event. Join us May 28-29 in Toronto for unsurpassed networking and continuing education opportunities.

ATTENDED BY OVER 750 SENIOR STEP PROFESSIONALS, CANADIAN AND INTERNATIONAL

2018 will mark STEP Canada's 20th National Conference, featuring a number of sought-after speakers who will discuss the latest trends and developments in wealth management. We are anticipating another record-breaking year as our Program Committee strategically planned two unique days filled with invaluable, practical, and timely discussions and events. The STEP Canada national conference has established itself as a must-attend event for Canadian and international practitioners as well as partnering sponsors.

In addition to talks by thought-provoking speakers from around the globe; we offer attendees the exclusive and robust STEP Canada native conference app, which delivers all available presentations and papers; pre-loaded USBs; breakfasts, lunches, and health breaks; a traditional conference binder of materials (priced separately); an attractive conference bag; and access to many industry-related organizations whose services are showcased in the exhibit hall.

Parallel streams allow participants to select sessions that feature the latest developments in trusts and estates, as well as practical commentary from our panels of experts. Plenary and concurrent sessions provide practitioners from all disciplines with information that will greatly enhance the value of their practices.
