

BLOCKCHAIN BLOCKTABLE

Seminar

IBM Buffalo, 40 Fountain Plaza
October 25, 2018
9am - 4:30pm

October 25, 2018
IBM Buffalo, 40 Fountain Plaza

The Blockchain Blocktable is a one-day event tailored for individuals interested in learning the most current and up-to-date information on blockchain. Attendees will gain a better understanding of blockchain's impact on a variety of industries, such as enterprise application, venture capital, research & development, legal, finance, and banking. A happy hour to follow hosted by Rowhouse Bakery & Restaurant.

Hodgson Russ attorneys Jessica Copeland and Nathaniel Lucek will be speaking on "IP Protection Trends for Blockchain."
