

EMERGING FREE SPEECH AND LEGAL ISSUES FOR THE MEDIA INDUSTRY

Webinars

May 14, 2019
12p - 1p

May 14, 2019

Presenters: Ryan Cummings, Aaron Saykin

With the proliferation of online publishing and reporting, those responsible for the content face new and emerging challenges relating to licensing, defamation, freedom of information requests, and other facets of media and First Amendment law. This presentation will provide an overview of the key issues in these areas to help online publishers navigate them.

Topics being covered:

- Licensing and the Use of Social Media Content on Your Website
- Navigating Defamation Issues
- Freedom of Information Requests and Limitations
