December 8, 2020

Join Timothy W. Hoover and Michelle Merola of Hodgson Russ LLP as they discuss advanced issues surrounding the use of *Kovel* accountants and the protection of the attorney-client privilege.

Topics to be discussed:

- Review of decisions involving privilege and *Kovel* accountants.
- Post data-breach litigation lessons learned and to be applied.
- Examination and discussion of hypotheticals involving privilege protection issues.

Who should attend: This program is appropriate for both CPAs in their normal practice, as well as CPAs who serve in a *Kovel* capacity to assist attorneys. A working knowledge of *Kovel* would be helpful but is not required.

Attendees are encouraged to send questions in advance to thoover@hodgsonruss.com for possible coverage during the program.

CPE and CLE credits have been requested.
