The renewable energy industry is subject to an ever-expanding list of complex labor and employment compliance requirements. Join us for an informative session on the latest obligations and practical tips for complying with them. Topics to be covered include:

- Annual sexual harassment training requirements
- NY HERO Act exposure prevention plans and workplace safety committees
- New York Paid Sick Leave obligations
- COVID-19 Leave obligations
- Legalization of marijuana in New York and impact on employers

Speakers: Kinsey O'Brien and Monaliza Rainwater
