

NEW YORK GOES ALL-IN ON CHIP MANUFACTURING

Tax Notes State
July 18, 2022

In this installment of The Endres Assessment, Joseph Endres and Joseph Tantillo review recently approved New York legislation that allows for eligibility of Green Chips projects in the Excelsior jobs tax credit program. The authors also question its speedy passage in relation to similar federal legislation sponsored by U.S. Sen. Charles E. Schumer, D-N.Y. Read the full article [here](#).
