

WORK WITH US

A career at Hodgson Russ means taking part in stimulating and meaningful work in a fast-paced, teamwork-focused environment. When seeking new attorneys and staff members, we look not only for candidates who possess a strong academic record and proven skills, but also for individuals driven by a work ethic that places service to clients and colleagues as top priorities.

Diverse Clients, Interesting Work, Meaningful Contributions

As a member of the Hodgson Russ team, you will collaborate with highly skilled lawyers and professionals to provide sophisticated, practical legal solutions for clients that include some of the most prominent companies in today's business community. We have extensive experience assisting Fortune 500 companies with their legal needs as well as cutting-edge emerging and privately owned businesses, public entities, and individuals. That is, we help clients with their U.S. legal needs wherever their business takes them.

Hodgson Russ is a business ally to our clients. We work proactively to help our clients achieve their objectives and to avoid potential pitfalls. We work with our clients to develop practical legal strategies that make sense for their unique situations. This approach not only helps us provide superior value to Hodgson Russ clients—which constitutes the core of our service philosophy—it also makes Hodgson Russ a more interesting and exciting place to practice law.

Diverse Teams, Creative Solutions

Hodgson Russ is more than a group of talented attorneys and professionals. Our team is made up of people from diverse professional and personal backgrounds with strong identities and keen interests. In our experience, this diversity is a primary ingredient in providing superior value to our clients. Our unique culture is energized by people who are passionate about serving clients, mentoring colleagues, and contributing to the community. Hodgson Russ is dedicated to furthering professional development and nurturing a culture of diversity. In short, we are focused on creating the best possible work experience for all our attorneys and professional support staff members.

We recognize that the contributions made by the talented members of our professional support staff help ensure that we uphold our value-focused service ethic by providing the most effective and efficient service possible.
