

Our Work

Since 1913, Plunkett Cooney has had the distinct privilege of representing a growing and diverse family of clients. Today, our practice has expanded to include offices in seven Michigan cities, Chicago, Illinois, Indianapolis, Indiana and Columbus, Ohio. This network allows us to offer a full range of legal services and to effectively and efficiently represent our clients across a large geographic area.

The years that established our hard-earned reputation as aggressive civil litigators fostered our goal of becoming a full service law firm. Plunkett Cooney is proud to be one of the largest law firms in the Midwest with the ability to serve our clients throughout the country.

Below are a number of noteworthy assignments that illustrate the ability of our attorneys to obtain the right results for our clients, whether that means trying to a case until conclusion, negotiating a complex deal or repairing bad law through the appellate process.
