The current edition of Best Lawyers recognizes the “Best Law Firms” on a national and regional-based scale with ranking based on practice and metropolitan areas. Firms that received a tier designation reflect the highest level of respect a firm can earn among other leading lawyers and clients from the same communities and practice areas. To be eligible for a ranking, a firm must first have a lawyer recognized in The Best Lawyers in America[®]. Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise.
